

# *JOURNEY OF THE HEALING HEART*

## **Objective:**

To look at our brokenness in the light of God's healing power. God's overwhelming love for each of us and God's blessings for our lives.

## **Program Overview:**

"The Healing Heart" is a 45-60 minute musical program led by contemporary Christian singer and songwriter, Sam Kauffman, a roster artist of NEAG.

This program is based on the story of Jesus raising Lazarus from the dead and on Sam's personal testimony. "The Healing Heart" invites the audience to look at the ways Jesus calls us to open up the tombs where we have buried the injuries of our lives in order to leave them behind for good to experience God's mercy.
