

LYDIA

Objective:

To share the faith of Lydia, the first Christian convert in Europe, a woman of influence who risks everything because she hears and believes the Gospel preached by Paul in Philippi.

Concert Overview:

"Lydia" is a 45-60 minute original musical program presented by contemporary Christian singer, dramatist, retreat leader and songwriter Sam Kauffman, a roster artist of NEAG.

"Lydia" is ideal for women's ministry events, retreats, special worship services, dinners, luncheons or teas. Seashells are an integral part of the program forming the basis for optional discussion questions at the event or as a home study.
