

ROAD TO RESURRECTION

Objective:

To look at the roads, highways and paths Jesus traveled on his way to Calvary and Resurrection showing how we walk in his footsteps.

Program Overview:

“Road to Resurrection” is a 45-60 minute series of meditations accompanied by music led by contemporary Christian singer and songwriter, Sam Kauffman, a roster artist with NEAG Music. “Road to Resurrection” encourages the active participation of the audience through singing and prayers.
