

WOMAN AT THE WELL

Objective

To present in music, story, drama and song one of the most dramatic, life changing encounters with Jesus; to inspire the audience to see Jesus in the light of his declaration of being the Messiah and to experience the wonder and awe of discovering God in your midst as Emmanuel, God with us; to deal with our expectations of meeting God.

Program Overview

“Woman at the Well” is a 45-60 minute one-woman biblical, musical drama presented by Christian singer, songwriter, recording artist and storyteller Sam Kauffman, a roster artist with NEAG that highlights the story of the woman who didn’t expect to have to draw water, didn’t expect to find a man at the well and certainly did not expect to have that man change her life forever.

The story of the Woman at the Well challenges us to look at our own lives through the lens of love, healing and forgiveness. But, even more importantly, to look at the most definitive statement by Jesus concerning his mission as Messiah to the Samaritan woman and how that relates to each of us as followers of Jesus.
