

WOMEN OF THE WORD

Objective:

"Women Of The Word" celebrates the daily journey of Christian women, uplifting and reaffirming them through the stories of six women of the Bible who exemplify courage, healing, hope, joy, faith, leadership and loyalty. Each woman is represented by a different type of cloth, i.e. wool for Sarah, linen for Mary and Martha, silk for the royalty of Esther.

Program Overview:

"Women Of The Word" is a 45-60 minute program led by contemporary Christian singer and songwriter Sam Kauffman, a roster artist with NEAG Music.

"Women Of The Word" is ideal for women's ministry including installations, retreats, special worship services or programs, dinners, luncheons, teas, mother-daughter or regular meetings.

Sam Kauffman can present a craft workshop along with "Women of the Word." There is an additional charge for each person attending the workshop to cover the cost of supplies.
