

RE: P/R

Each of us is uniquely crafted by God - as unique as every snowflake! This is the foundation and focus of a program entitled “Celebrating You and Me in the Body of Christ” offered by Sam Kauffman, internationally known Catholic singer, dramatist, songwriter, author and storyteller, a roster artist with NEAG.

“Celebrating You and Me In the Body of Christ” is fun-filled, musical program. Through stories, songs, pantomime, scripture and special surprises Sam Kauffman celebrates the giftedness of each person while recognizing the unique place of God’s children in the Body of Christ as we do the work of God in the world. It has something for everyone of every generation.

As a part of Christ the Servant’s intergenerational program based on “Who Do You Say That I am?” this program incorporates the concepts of God as caring Father and Creator by looking at the many ways God operates in our lives. Additionally it focuses on the ways God invites us to become a part of the on-going process of creation along with looking at the ways we care for one another.

An invitation to initiate and participate in the Penny Project is a part of the program. Participants are challenged to find a glass jar. Each time they feel God’s presence in their lives they are invited to put a penny in the jar. When the jar is full, they remember all of God’s blessings, give thanks to God for these blessings then donate the money back to God’s work and start over.

It is a wonderful opportunity to get the year started on the right foot!
